

First Responders' Christmas Tree

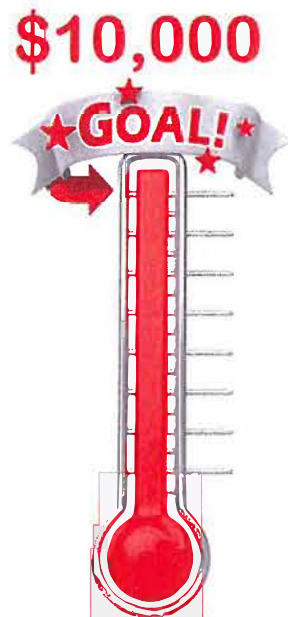

Police, firefighters and paramedics put themselves on the front lines of dangerous and tramatic situations each day on our behalf with little concern for their personal safety. Ever wonder how you can say “Thank You” to these brave men and women?

This beautiful **Blue Lighted Christmas Tree** will be dedicated to the First Responders from Fountain Hills, Rio Verde, Fort McDowell and Salt River, and will be located on the Avenue of the Fountains Plaza during this season of giving. It will be the first in the USA!

This is YOUR chance to honor, to show respect and heartfelt appreciation for those who protect our community every day.
