March 25, 2020

Rio Verde, Tonto Verde and Verde River Residents,

There have been rumors floating around our community through social media and word of mouth that we have a positive case of COVID-19 in one of the Rio Verde communities. That has not been confirmed or denied. To be safe, we should all assume that COVID-19 is here. We all need to do our part with self-isolation, social distancing and washing hands to keep the community safe. Please visit the link below to the county public health website for more information.
